

# Willowbrook Cemetery Daffodil Mile

## Become part of our Daffodil Mile — Phase 4!!

Over the past four years, Willowbrook Cemetery has planted almost 9,000 daffodil bulbs in a continuous procession throughout the cemetery. The purpose of the yellow reflection line is 2-fold. In addition to adding beauty to this quintessential New England Cemetery, it's also a unique approach for memorializing a loved one.

With a donation of \$50, you can become part of this annual display. Your contribution, which is tax deductible, purchases 10-feet of the mile. Anyone can participate or be remembered, even if the individual is not interred at Willowbrook Cemetery.

Willowbrook's blossoms symbolize rebirth and hope, as color finally returns to life. We hope the Daffodil Mile instills a sense of comfort and peace not only to our families, but to the community as well.
